

UNLOCK YOUR PROJECT'S POTENTIAL WITH TX-PACE FINANCING!

San Antonio & AACOG Region

TX-PACE FINANCING WORKSHOP

Hosted by the Alamo Area Council of Governments (AACOG) & Texas PACE Authority (TPA)

Are you facing high capital costs or dealing with unfavorable debt ratios for your commercial, industrial, or multifamily development? Learn why local governments throughout the AACOG region are establishing PACE programs at no cost to taxpayers that help businesses and nonprofits make cash flow-positive investments in energy and water saving improvements.

Join our informative workshop to learn how to secure long-term, fixed-rate financing that is more affordable than equity. You'll also discover how to make cash flow-positive investments in energy and water-saving improvements.

Confirmed Speakers:

- **Cliff Herberg**, Executive Director, AACOG
- **Teresa Smith**, Director of PACE Transactions, TPA
- **George Wommack**, President/CEO, Headwall Investments
- **Andrew Ozuna**, SVP, Broadway Bank
- **Brian Adams**, TX Managing Director, PACE Equity, LLC
- **Jack Belt**, Program Liaison, TPA
- **Doug Melnick**, Chief Sustainability Officer, City of San Antonio
- **Lyle Hufstetler**, Natural Resources Project Administrator, AACOG

Who Should Attend?

- Developers, Brokers, Owners, Lenders, Contractors, Architects, and Engineers
- Economic Development Professionals, Local Government Planning, Sustainability and Policy Professionals
